

DETOX THE HEART

WHAT DOES IT MEAN TO DETOX OUR HEART AND WHY IS IT NECESSARY?

Just like our physical body, our heart also gets polluted, sick and wounded while journeying through life. The heart can get choked with stress, sadness, fear, confusion, helplessness or anger. Some try very hard to be a better follower of Jesus, yet find themselves being repeatedly defeated by addictions, negative attitudes and failed relationships .

Our heart is so deceitful that often we are not aware of the depth of evil within. **Our deceitful heart is the “Control Station” of our lives** “For out of the heart come evil thoughts, murders, adulteries, fornications, thefts, false witness, slanders”.. Matthew 15:19 (NASB). We need to know what is in our hearts because God *always* looks at the heart. While man looks at the outward, God will judge our motives and intent.

Do you know the true condition of your heart? Whether you have a healthy or wounded heart? Proverbs 27:19 (NLT) says **“As a face is reflected in water, so the heart reflects the real person”**.

The authentic life is living from a “redeemed” heart. Without His revelation we tend to live in self-deception. The “Detox The Heart” seminar seeks to let God bring light and clarity to our burdened hearts, to help us identify and cleanse deep-rooted beliefs which may have bound our lives. Join us in experiencing the truth of Jesus’ Words that He has indeed come to heal the broken hearted and to set the captives free!
